Comments: Cabernet Sauvignon is the foundation of this wine, adding vigor, structure, richness, grip and complexity. Syrah brings generous, juicy, ripe flavors and a spicy nature that blends beautifully with the Cabernet. The wine is layered with fresh Raspberries, a dense backbone of cassis and a gorgeous menagerie of black fruit, with a hint of fresh rosemary and pencil shavings. The Cab gives a suitable structure for the fleshing mid-palate and a focused finish of sweet cardamom and cola.
