Comments: The aroma of this blend of 80% Merlot and 20% Cabernet Sauvignon entices the nose with notes of black cherries and berries, toast and bright jam. The mouth feel is rich yet racy. This wine has the "yummy" factor. Now that this wine has had a chance to bottle age it does not require decanting prior to serving as many fine wines do, but it wouldn't hurt.

Food Pairings: This wine pairs well with cuisine from India to Italy, Provence to the Pacific Northwest.
